### VARIOUS MODELS

- **500 1018**
- **500 4X4 1322**
- **500 1326**

- **500 FC/Tip 1827**
- **500 FC 2829**
- **500 FC/Mix/Tip 2836**
**INTERIOR / COMFORT**

**DRIVER SEAT**
The new Hino 500 Wide Cab's seat features a high back, multi-adjustable air suspension seat for the ultimate in driver comfort and safety.

**TILT & TELESCOPIC STEERING**
500 Wide Cab models have fully adjustable tilt and telescopic with steering lock device - offers multiple driving positions for greater driver comfort. Includes energy-absorbing steering wheel with driver's SRS airbag.

**PENDULUM STYLE PEDALS**
Clutch, brake and accelerator pedals all pivot from the top resulting in reduced foot and ankle fatigue.

**AIR CONDITIONING**
All 500 Wide Cab models have factory-fitted, three-way fan air conditioning and heating.

**24-VOLT SOCKET AND CIGARETTE LIGHTER**
A dedicated 24-volt power outlet and cigarette lighter on all-new Wide Cab models.

**CENTRAL LOCKING**
Improved security and convenience for Wide Cab models.

**POWER WINDOWS**
Driver and passenger comfort for Wide Cab models.

**RADIO/SPEAKERS**
Improved comfort for occupants of Wide Cab models.

**FULL-FLOATING & SEMI-FLOATING CAB MOUNTING TYPES**
Ride comfort enhanced, reducing driver fatigue.

**ON-BOARD TECHNOLOGY**

**DRIVER INSTRUMENT PANEL**
All 500 models are equipped with an instrument panel, which is designed to be read from various angles and lighting conditions. Every model is equipped with a tachometer, speedometer, and full suite of warning gauges and lights. The dash features blank DIN mounting holes to cater for accessories that may be added.
**EXTERNAL CHASSIS AND SUSPENSION**

**VISIBILITY (OUTER MIRRORS)**
Individual large, flat, mirrors with an additional kerb observation mirror giving the driver a comprehensive view of whatever is behind, below and to the side of the cabin. Improves safety and reduces property damage.

**ACCESSIBILITY**
Generous-sized door opening, a staircase-step design and conveniently placed cab grab handles providing three point contact for improved entry/exit safety.

**ENTRY STEP**
Large self-clearing footsteps allow for easy entry/exit whilst keeping mud and grit out of the cab.

**FORWARD TILTING CAB**
- **(ELECTROHYDRAULIC 6x2 AND 6x4 WIDE CAB MODELS)**
Facilitates easy inspections, without the need to remove inspection panels, leading to easier and faster general maintenance times.

**NEW WIDE CAB DESIGN**
On-road and off-road cab design with multi-part bumper.

**CHASSIS AND SUSPENSION**

**CHASSIS**
Reinforced ladder-type channel section. Standard Cab model chassis are made from 540MPa high-tensile steel. All new Wide Cab model chassis are made from 620 MPa high-tensile steel and feature a grid-hole design, smooth top flange and side rails, for ease of body installation. All this offers strength without compromise on weight and durability. Built to last.

**ENTRY STEP**
Steer axle taper leaf suspension provides enhanced ride-quality and handling-stability with reduced weight.

**FRONT SUSPENSION**
Taper leaf, multi-leaf and Hendrickson Airbag rear axle suspensions designed to allow maximum payloads while giving superior stability, ride comfort and durability. Hendrickson Airbag drive-axle suspensions offer customers a truly load-friendly and comfortable ride with a consistent chassis height. All-new Wide Cab models fitted with air suspension have the addition of Electronic Control Air Suspension System (ECAS) for the added advantage of dock height alignment.

**REAR SUSPENSION**

**FRONT AXLE TURNING RADIUS**
Front Axle- the front tread and the tyre-turning angle have been increased, reducing the minimum turning radius.

**WHEELS**
All models are equipped with steel wheels.
- 12R22.5-152/148 (1627)
- 315/80R22.5 (Front 2829)
- 295/80R22.5 (Rear 2829)
- 315/80R22.5 (Front 2836)
- 295/80R22.5 (Rear 2836)
WIDE CAB ENGINE AND TRANSMISSION

THE HINO RANGE OF 8L & 11L EURO 3-COMPLIANT ENGINES ARE EQUIPPED WITH A HIGH-PRESSURE COMMON RAIL FUEL INJECTION SYSTEM AND TURBOCHARGER/INTERCOOLER TECHNOLOGY TO ACHIEVE LOWER EMISSIONS AND UNCOMPROMISED POWER AND FUEL EFFICIENCY.

6-SPEED HINO SYNCHROMESH MANUAL TRANSMISSION.

6-SPEED ALLISON AUTOMATIC TRANSMISSION.

9-SPEED SYNCHROMESH MANUAL TRANSMISSION FEATURES GATE-AND-SHIFT INHIBITOR TO LIMIT A MISS-SHIFT, PREVENTING TRANSMISSION AND ENGINE DAMAGE.
WIDE CAB SAFETY

ANTI-LOCK BRAKING SYSTEM (ABS)
ABS prevents the wheels locking under heavy braking applications and assists the driver in maintaining control of the vehicle. Both standard and Wide Cab models feature ABS.

REVERSE WARNING BUZZER
Reverse warning buzzer when reverse gear is engaged on Wide Cab models.

EASY START  STANDARD ON ALL MANUAL MODELS
Now standard on all manual models. Preventing roll-back by maintaining braking force on hills after the brake pedal has been released.

CABIN SAFETY CELL
The cabin has been built to the highest standards for improved driver and passenger safety and meets ECE R29 European crash certification on all single cabin models.

HEAD LAMPS
The all new Wide Cab models feature multi-reflector headlights that have increased the brightness as well as extended the lateral spread and distance in front of the vehicle.

CRUISE CONTROL
Sets the vehicle to the designated speed, usually resulting in better fuel efficiency. This reduces fatigue in regional and long-haul applications.

DRIVER SRS AIRBAG
All models have a driver SRS-airbag-equipped steering wheel to protect the driver in the event of a front-on collision.

ENGINE IMMOBILISER
To protect the vehicle against theft.
**ADDITIONAL FEATURES**

**AVAILABLE ON THE ALL-NEW HINO WIDE CAB MODELS**

**DIFFERENTIAL LOCK**
Differential cross locks are standard equipment on 6X4 new Wide Cab models. This feature locks each of the two wheels on an axle to the same rotational speed regardless of the traction.

**ALLISON GEAR SELECTOR**
Wide Cab Automatic models now come with the easy to use and read Leaver Gear Selector. By pushing the test button, the selector display indicates shift range, oil level, temperature and diagnostic codes.

**ENGINE BRAKE**
The all-new Wide Cab models fitted with the P11C engine have an engine compression brake (exhaust brake type).

**WIDE CAB TRANSMISSIONS**
- 6-SPEED MX06
- 9-SPEED M009 DD/OD
- 6-SPEED ALLISON 3000/3500

**ADDITIONAL FEATURES**

**AVAILABLE ON THE ALL-NEW HINO WIDE CAB MODELS**

**FUEL TANK**
Bigger capacity fuel tanks.

**DUST PREVENTION & BELLY PLATE UNDER RADIATOR**
Improved reliability by reducing chances of engine overheating.

**INSECT PROTECTION SCREEN IN FRONT OF RADIATOR**
Improved reliability by reducing chances of engine overheating.

**BIGGER CAPACITY ALTERNATOR**
Allows for more electrical equipment to be added without replacing the alternator.
HINO VALUE-ADDED SERVICES
– DISCOVER THE ROAD AHEAD WITH HINO 500 SERIES

Every Hino that rolls off the assembly line is backed by a history of quality, durability and reliability. We work hard to keep you on the road, no matter where the road ahead will take you. We’re behind you, every step of the way, backing you with one of the largest dealer support networks in South Africa. We are constantly innovating and creating new technology to do the job better. Welcome to the Hino family. Trust us to get the job done right, first time, every time.

MAINTENANCE AND SERVICE PLANS
· These can be tailor-made to your requirements.
· Speak to your Hino Dealer for more information.

SERVICE INTERVALS
*30 000 km dependent on application and operating conditions.
Speak to your Hino Dealer for more information.

WARRANTY (COMPLETE VEHICLE)*
· 36 months on rust perforation.
· 500 Series – 24 months, unlimited kms.
· Extended warranty up to a total of 5 year available.

· Excluding batteries, tyres and normal wear and tear.

24-HOUR ROADSIDE ASSISTANCE
· Hino’s Dealer Network is more than 60 strong in Southern Africa.
· Towing assistance.
· Hino Dealer service and parts assistance.
· Technically-trained staff for breakdown assistance.
· Roadside security – in the event that your vehicle breaks down in an unsafe area.
· 24-hour call centre 0800 878 257 (0800 TRUCKS).

+ 2 YEARS PARTS WARRANTY
· Fitted at Hino Dealer workshop.
